

Premium 50ml Dispensing Gun

Newly designed, powerful and economical hand held tool for dispensing 1:1 and 2:1 ratio 50ml syringes. Ergonomic design increases leverage and reduces hand fatigue. Innovative swivel carriage makes syringe replacement fast and easy. 12:1 thrust ratio and smooth rod drive produces increased power and control. **Features a rust proof and chemically resistant finish so it is more durable and easier to clean.** Our Premium grade model.

Product Type: **Dual Component**
Application: **Swivel Cartridge System**
Weight: **2 lb. ship weight**
Capacity: **25/50 ml**
Mix Ratio(s): **1:1 and 2:1 Ratio 50 ml syringes**

Features:
25 ml x 25 ml
Mechanical Advantage 12:1
Easy Loading Breech - Swivel cartridge
Full Cartridge Support
Item # 999516
